

Three Ways
To Radically Improve your Practice.

01. Better Patient Care.

Precise documentation at the point of care establishes a thorough medical history for patients and ensures timely and accurate clinical records. With comprehensive search and follow-up tracking capability you can deliver the higher standard of care your patients deserve.

Example: Every patient encounter is completely and thoroughly documented in a structured database for easy access and analysis—providing the tools you need to leave nothing to chance.

02. Better Quality of Life.

ChartWare customers typically gain an average of 2 hours per day in saved documentation and related tasks. Net result: additional time can be allocated for professional or personal pursuits resulting from the workday shortened by 25 percent.

Example: A single year comprised of 50 workweeks can yield up to 500 hours of newly available time.

03. Better Bottom Line.

Precise documentation at the point of care ensures timely and accurate billing. With ChartWare you protect against malpractice liability and ensure complete compensation for billable services. ChartWare also promotes efficiency and eliminates many clerical tasks, reducing labor costs that can add considerably to practice overhead.

Example: The typical practice will experience annual increased profitability between \$25K to \$100K per physician while reducing malpractice liability.
