

WHEN: **Boot Camp** (see Agenda for details)

Thursday, September 20

If you are a beginning or early intermediate user we highly recommend that you register for our ChartWare Boot Camp. MAIN EVENT REGISTRATION IS REQUIRED.

Welcome reception

Thursday, September 20 evening

The event is open to all registered attendees and guests. RESERVATION IS REQUIRED by 8/29/07.

Main Event

Friday, September 21 – Saturday, September 22

If you are ready to jump right in to the advanced features, benefits, and customization options of ChartWare you may prefer to join us just for the main conference.

WHERE: This year the event will be held in Washington, D.C., right in the heart of lovely Georgetown. The hotel has given us a special room rate for your convenience.

Washington Marriott

1221 22nd Street NW, Washington D.C. 20037

800-228-9290 or 202-872-1500

<http://www.marriott.com/hotels/travel/waswe-washington-marriott/>

Room rate: \$229/night + tax single or double. An additional \$10 will be charged for each additional person in the room. This special group rate is valid until 8/29/07 and you will need to reference ChartWare at the time of booking.

HOW: Complete the registration form and profile for each attendee and return with payment.

Registration Fees

The first attendee from a practice	\$525.00
or Two attendees from the same practice	\$800.00
or Three attendees from the same practice	\$1,050.00
or Four or more attendees from the same practice	\$1,275.00

Discount: Subtract \$125.00 from your total if you have currently paid for Annual Software Maintenance!

- Payment must be received by August 29, 2007.
- Registration fees are non-refundable.
- There is no additional charge for attending ChartWare Boot Camp but you must be REGISTERED FOR THE MAIN EVENT.
- There are no partial payments for partial attendance.
- Meals are not provided during ChartWare Boot Camp.
- During the main conference on Friday & Saturday, lunch will be provided.

Requirements

- All attendees of ChartWare Boot Camp should bring a laptop.
 - Laptops must have wireless network (internet) connectivity.
 - Bring your power block, etc.
 - Know the administrator password for your laptop if your laptop is Windows® based. (Ask your IT person if you're not sure.)
- Dress for the conference is "business casual".

The amount of training required to gain “proficiency” with ChartWare varies a great deal. Please help us match our presentations to your goals by circling your:

CURRENT Level of Proficiency

0 1 2 3 4 5

DESIRED Level of Proficiency

0 1 2 3 4 5

[Proficiency levels are defined as follows]:

Level 0 – I am not yet able to do ALL of the following: perform chart review, produce simple visit documentation, prescriptions, orders, and referrals.

Level 1 – I can currently perform chart review functions and produce visit documentation, prescriptions, orders, referrals, refills.

Level 2 – I can comfortably accomplish simple vocabulary building & customization, configuration details and basic layout.

Level 3 – I can provide intermediate vocabulary and outline building & customization, I understand simple embedded query creation & modification, and I possess basic ChartWare Crystal Reports skill.

Level 4 – I am capable of advanced vocabulary development, I understand advanced embedded query creation & modification in the ChartWare database, and I possess intermediate ChartWare Crystal Reports skill.

Level 5 – I can write custom software & utilize “hooks” such as ChartWare Program Launch, stored procedures, enhanced database table structures, and I possess intermediate to advanced Crystal Reports skill.

We look forward to welcoming you to ChartWare and the beauty of our nation’s capital this fall!
