

“Seeing With the Heart”

April 15 - 29, 2007

A Joydancer Journey of the Spirit to Peru with Allan Hardman and Jorge Luis Delgado

**Experience the people, mythologies, and Love that emanate from
Machu Picchu and this sacred land.**

This incredibly rich adventure includes two journeys: the physical journey to a place of extraordinary beauty and power, and the inner journey to know Yourself in the absolute Love that is the Divine. Discover the three laws of the Inca, Munay (Love), Llancay (Service and creative expression), and Yachay (Wisdom) -- universal laws that teach how to live a balanced life. In these amazing places of power, you will engage in sacred ceremonies that allow you to “see with the heart” and dance in joy with Life.

Allan Hardman is a Toltec Master who completed an intensive 10 year apprenticeship with don Miguel Ruiz, author of *The Four Agreements*. Jorge Luis, author of *Andean Awakening*, is a chacaruna, (a bridge between states of consciousness). He has been a loving and knowledgeable guide on all of Allan’s Journeys of the Spirit to Peru, and brings his wisdom to this next journey in April, 2007.
