**Reminder:** \$15 yearly club dues are now due. If you have not already done so, mail your check to Samuel Yee, 20 Laurel Hill Court, San Mateo, CA 94402, payable to the Computer & Photo Club, or drop off your check at the temple Computer & Photo Club mail box.

**In the Computer Room:** For \$15 yearly dues, members now have access to 6 very fast computers that have been installed in the clubroom. All the computers have DSL access to the Internet via an Ethernet 16 port switch. Laptop Computers can access the Internet via a secure Belkin wireless N router. Also available is a color laser printer; B&W laser copier, laminator, paper cutter and a new all in one photo inkjet printer. They are available to all paid members and accessible during temple business hours or during any of the stated meetings at the temple.

**Plans for the computer room:** As the budget allows, we plan to purchase Photo Paper, Inkjet cartridges, Color and Black Laser Toner Supplies, laminating supplies, and general office supplies.

**New Adobe Tutorials:** The Krause Center of Innovation at Foothill College has put a number of new tutorials on the Internet for some of the more popular Adobe programs. They are: CS2 Photoshop, Illustrator, and InDesign; CS3 Photoshop, Illustrator, InDesign, Dreamweaver, Flash, Fireworks, and Acrobat; Photoshop Elements 4, Photoshop Elements 5; and Contribute. They are accessible at <http://www.t3traintheteacher.com/curric> Most of the tutorials are about 100 pages in length and are composed of 20 modules or lessons of about 5 pages per module.

**Photoshop Elements 4 Tutorial:** We have printed a copy of the Photoshop Elements 4 tutorial and have it available for members in the clubroom.
