VOL. III No. 6

Wireless Routers: - There are now two Belden Secure Wireless N routers installed in the Asiya Shrine Center. One is in the office area and the other is in the Computer Clubroom. You will need to have the correct security code to connect to either of the routers. Contact Sam Yee or Irv Davis for the security code to connect to the Clubroom Router.

Reminder - Mark your calendar: The Computer and Photo Club will have a joint Visitation with the Greeters on Saturday September 6.

Club Budget: If there is any equipment the members would like for the club, please inform Sam Yee so he can submit a club budget request to Asiya Temple for approval.

The Clubroom: Sam Yee has been hard at work cleaning and reconfiguring the computer clubroom. He now has 8 computer stations operational. A laser color printer is connected to one computer and a HP6140 all-in-one is connected to a second computer. The club has an HP6110xi Office Jet all-in-one and we plan to install a driver for it on another computer so that color prints may be made at three computer stations. There are additional computers that are in the process of being set up to give to members, on a first come first served basis. Club members always have access to the clubroom using the code printed on the current dues card.

Club Logo Polo Shirts: - Polo Shirts with Computer and Photo Club logo embroidery, as shown below, are now available in sizes **S, M, L, XL, and 2XL**. Shirt colors available are: White, Natural, Red, or Royal Blue. White or Natural shirts have Red lettering as shown. Red or Royal Blue shirts have Gold color lettering. The Scimitar is the same color on all colors of shirts. The price of a shirt is \$20.00. Contact the Webmaster, Irv Davis, for more details and to place your order.
