## RACING SKIS

In the past 2 years Maherajah skiers have won just about every major race in the world – The World Championships, US Nat's, Australian Titles, European Championships, the British Nat's, San Francisco Bay Challenge, the Giro, the Diamond Race, the Mildura 100 and the Belgian Championships. Our skiers keep winning because we continue to improve our skis.

## **GIANT SLALOM LONGBOARD SKIS**

Ski around Lake Tahoe, cruise Lake Powell or SF Bay. Ride the swells and ski 2-up, it's twice as Fun! The 84" MAHA Longboard GS is designed to ski on top of the water, greatly reducing drag. It's so **smooth** and **stable** you'll be amazed how far you can ski. **It turns! It jumps!** You'll get **BIG air!** Ski @ 25 or 75 mph. Choppy water is fun!

### **Longboard skiers are everywhere.....**

## **SITKA-LITE 360 64, 66, 68 and 70 inch skis**

This 6 lb. ski gives outstanding performance. The wide square back design gets you out quick and has plenty of rocker for quick turns and **BIG AIR** that you won't believe!  
It's constructed from multiple laminations of Sitka spruce (for stiffness and stability) with the new racing ski edge (for smooth turns and amazing **acceleration**).

### **Customers say.....**

Lori Dunsmore "it's a blast!" John Cummings "I want 2 more for my brothers-in-law"  
Jewels Brackopoulos "I LOVE MY SKI!" Steve McClaskey "What a fun ski!"  
Julie Crutchfield "The ski jumps fantastic and it's so forgiving that I can really push the edges of my skiing"
