sizes 6-
critical b

Now, everybody can ski a Maherajah. For many years, recreational skiers shied away from the Maherajah. Comments like: "it's too much ski for me" or "the Maha is for competition skiers" were common. That's because for years the Maherajah was a ski for enthusiasts and competitive skiers.

The Maha 360 ski is designed for all skiers. The only ski you need in your boat.

Perfect for the big beginner who finds deep water starts almost impossible, not to mention a real drag. With a fuller shape even the biggest skiers are up in no time.

And once you're up, the 360 with a concave bottom and beveled edges can really cut. Pro skier Kris LaPoint slalomed through the course at 32 off on his Maha 360.

But don't mistake the 360, it's not just for big skiers. With a weight range of 60 to 260 lbs all skiers will appreciate the 360's smooth, stable, confidence building ride.

JAH 360 MORE SKIERS.

skiers 60 to 260 lbs.

67% fiber ski; stronger than wet wrap process skis.

New! Durable Textured Pre-Preg fiberglass top lamination. Helps prevent handle dings.

MAHERAJAH[®]

WATER SKIS

adjustable binding standard
one piece latch adjusts to fit
12" and maintains the
balance point of the ski.

The Maherajah name and 1 year
warranty, with 3 year option.

Strong Internal Pressure Chamber
(IPC) core. Far stronger than foam
or honeycomb.

Like to jump the wake?
You'll really get some air with
a 360. With surprising ease
the 360 is able to leap double
wakes in a single bound. For
skiers who really like to go fast
the 360 is the ticket. Our racing
skiers use their 360's during
training at speeds up to 80 mph!

Like all Maherajah Water
Skis the 360 is built from only
the finest materials.

The fiberglass 360 is
virtually unbreakable.
Constructed from
pre-impregnated fiberglass, the
ski combines lightness with
speed and durability. Stronger
than honeycomb or foam is the
IPC core. Full length box rib
channels form continuous "I
beams" that produce superior
strength and flex
characteristics.

Equipped with Maherajah's
front adjustable binding the 360
is sure to be the "Best All
Around Ski" in your boat.
