GOURMET WORK TABLE
21" X 47"

5-YEAR GUARANTEE

This brand new line of kitchen products by Maherajah evolves from 30 years' experience of laminating the finest domestic and exotic hardwoods.

Beautiful hard Northern White Ash, accented with three distinct lines of Bubinga, Shedua and Purple Heart, creates this collection of work tables, cutting boards, and knife blocks.

Increasing the size of your work area and beautifying your modern kitchen constitute just two of the many benefits obtained with the addition of Maherajah work tables and accessories.

Once your collection has begun, new pieces can be added to your set year after year since all products are coordinated to match each other as well as the many colors evident in your kitchen.

An investment in a work table soon will prove to be the smartest home improvement you have made in years.
