This stunning architectural creation is prominently perched on the hill above the magnificent four diamond Grand Bay Hotel and Marina on Isla Navidad, a short water taxi ride across the lagoon from the quaint town of Barra de Navidad, and surrounded by magnificent panoramic views of the sea, harbor and lagoon. This grand villa boasts 6 master suites with plenty of modern amenities amidst the most pleasing décor. With many outdoor living areas to choose from, the spacious palapa lounge is the center point for gatherings and cocktails, with an oval granite bar, BBQ kitchen and a magical aqua fire water feature. The main outdoor level features a huge infinity edge pool for cooling off, taking in the views, relaxing or swimming laps to your favorite choice of music from the underwater speakers. The 10 seat Jacuzzi is often a favorite spot as the sun goes down. Outdoor showers add to the amenities such as air conditioning throughout, 8 full bathrooms and 3 half baths fully stocked with toiletries and hair dryers, modern essentials such as iPod docking stations, Satellite TVs, VCR/DVD player, CD stereo system, computer with wireless internet access, children's equipment, 7 passenger van with driver, fragrant terraced grounds manicured by the gardener, state of the art kitchen staffed 7 days a week with a French trained chef, three thoughtful housekeepers, English speaking house manager/concierge and security guard 7 days a week and to top it off a three story panoramic glass elevator to make moving from level to level effortless. Just outside the villa's gate, the beach, swimming lagoon, marina and Grand Bay Hotel activities are just a stones throw away. In addition to the 6 master bedrooms there are 2 junior bedrooms ideal for your nanny, pilot or teenagers. This magnificent luxury villa is ideal and welcome to hosting your most special events or gatherings.
