

International Dances – Petaluma’s New Dancers Festival

These dances are from the music CD given to those attending the New Dancers Festival in Petaluma on Nov. 6, 2011. Folk Dancers often check online videos to help brush-up on steps and styling. You can download an interactive PDF version of the list at: http://www.sonic.net/~stevayla/pdf_files/NDFvideolist1. Some dances have many videos to choose from – others just a few. Different groups sometimes do the same dance in different ways, while dances designed for public or theatrical presentation can become quite elaborate.
